Mission

Students are supported in a caring environment and given opportunities to learn about themselves and to take action in areas in which they are passionate. Our students and teachers come from diverse backgrounds and we connect globally with our other campuses to learn about the world, from the world. We inspire and teach students about global issues by connecting ideas and stories locally. We strive to use our environment as a tool and a canvas for learning and action.

Vision and Values

A world of self-confident lifelong learners connected and inspired to help others.

Through leadership challenges and opportunities, we help students discover their passion, develop their character, and understand their connection to others and society. We espouse creativity, build character and develop connections to deliver exceptional educational learning experiences.

Brookes Moscow is a next-generation IB world School and the only day and boarding school in Moscow fully authorised across the IB PYP, MYP and DP welcoming students from age 2-18. The School introduces spacious classrooms & specialist teaching environments, which optimize learning with integrated technology.
